Disclosure of Relevant Financial Relationships

AXIS Medical Education requires faculty, instructors, authors, planners, directors, managers, peer reviewers, and other individuals who are in a position to control the content of this activity to disclose all personal financial relationships they may have in the past 24 months with ineligible companies. An ineligible entity is any organization whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. All relevant financial relationships are identified and mitigated prior to initiation of the planning phase for an activity.

AXIS has mitigated and disclosed to learners all relevant financial relationships disclosed by staff, planners, faculty/authors, peer reviewers, or others in control of content for this activity. Disclosure of a relationship is not intended to suggest or condone bias in any presentation but is made to provide participants with information that might be of potential importance to their evaluation of a presentation or activity. Disclosure information for faculty, authors, course directors, planners, peer reviewers, and/or relevant staff is provided with this activity.
