## MOST COMMON NJ SNF CITATIONS; STRATEGIES TO PREVENT DEFICIENCIES & THE LATEST FIVE STAR UPDATES

**WEBINAR WITH LW CONSULTING** - Thursday, Oct 20, 2022; 10 – 11:15 a.m.

**REGISTRATION: [HTTPS://BIT.LY/3SGFYVH](https://bit.ly/3SGFYVH)**

**FEE: \$99 per person**

*Continuing education credits available for LNHAs and nurses*

As CMS guidance continues to change, it is important for NJ nursing homes to understand the trends in deficiency citations. During this program, the findings associated with F tags most commonly cited will be reviewed. For the five most common citations, attendees will delve into the regulatory specifics and identify strategies to prevent future issues. The last part of the program will focus on the most recent updates to the Five Star, Nursing Home Care Compare program and what it means for you.
